Just keeps getting better

June 05, 2014

Every one of these books is great, and this one is the best so far. Lots of tension, clues, and surprises make this a really good read. Squeamish people should not read these books -- they are well-written, graphic suspense.

Enjoyable series

May 14, 2013

This is a very relaxing, fun read. Good to know there are more out there. I'm making this my summer series, just a tall iced tea, a lawn chair and Kate.

Delicious read

March 13, 2013

Curl up for a good read. This book is perfect for relaxing and getting lost in the lives of the three female characters. They each grow, learn from each other and become friends. There are just enough chunky men to spice it up.

This is a great read. I finished in record time and it made me want to read it again immediately. Women, friendship and loyalty make it kind of a chick read, but for insight into a female mind, it is a good experience.
