**Very poor quality !!!!!**

February 15, 2014

I have bought the set of these coloring books from this artist but I have the same complain! The paper of the pages are kind of cheap printer sheets cut off and attached together by hand and their edges come out of the cover. It is NOT professionally done at all. It is NOT worthy of this price as there are several other similar books at the same price and much better. I would rather buy a handmade article from the handcrafted online shops! Sorry!

I have bought the set of these coloring books from this artist but I have the same complain!

The paper of the pages are kind of cheap printer sheets cut off and attached together by hand and their edges are not very straight and they come out of the cover. It is NOT professionally done at all. It's NOT worthy of this price at all! I would have saved my money for something better or to buy a handcrafted item from any of the online handmade shops and not here in Amazon!!!!

Sorry! :-)

**Soft and shiny hair with EMU OIL:)**

February 20, 2013

I have very long hair and a sudden loss due to hormonal imbalance. I bought this oil last month to help me regrowth the hair I lost after reading many possitive feedbacks from others about hair regrowth with this oil. It has been 1 month since I started using it and although I haven't seen yet any hair regrowth, I can admit that this oil made my hair look very healthy, soft and shiny!!! I use it every second day on my scalp. I do a massage then brush the oil down my length . My hair is really moisturized now. I do not use any chemical conditioners. I leave the oil on my scalp between 2-3 hours (sometimes more) then rinse out. Also the size of the bottle is bigger than I thought so there is still a lot of oil left after 1 month of use:)
