Great read

August 21, 2014

This book is well written with numerous twists and turns. I caught myself laughing out loud more than once and in my book, that makes it outstanding. I don't find many books that can do that.

Great Dog Food

November 14, 2013

This dog food is amazing, my finicky eaters love it. The first bowl that I put down after I got it was gone in record time. I love the fact that it's grain free and the first ingredients are meat and no meat by products. It's made in the US with all US products. My dogs love it. It's a little pricey but they are worth it.

Great Bottle

November 13, 2013

I like the bottle and it seals well but if you put something in and have to shake it be careful because the bottom of the cap fills with the liquid. When you open it and lay the top back the liquid in the cap runs down the bottle.

Love the sheet

September 05, 2013

They are wonderful they have a lot of body and are very soft. I will probably order a couple more pair because the percale are so hard to find. They come out of the dryer with very few wrinkles, dry excellent and wrinkle free when dried outside. From the other review that said they were to stiff, they aren't they are like any other percale. If you're used to the 300 ct Egyptian cotton and that's what you want these are not the sheets for you. I don't like the Egyptian Cotton, I was raised on percale sheets and these are great.

Great sheets.

Interesting

March 27, 2013

The plot was good, I wasn't that impressed with the story telling. Being from Louisiana and knowing the bayou folklore I found the book believable. I love ghost stories and this one was good. I think it would have been better without the descriptive love scenes, for me, they were not necessary or a good fit.
