what a sizzler!!!

August 23, 2014

I love a good romance novel,and this was one of them.While it's a good romance novel,it's also sort of a mystery.Beth and Ayden are so in love,and I love them.Just now starting to read the second book...keep em coming.OH! by the way the sex scenes are really sizzling

Great read

July 14, 2014

I read this book in one day..OMG!!! what a great story,full of suspense and a great love story.I knew Shadow and Aria would finally get together.It was only supposed to be an innocent two dates,to fulfill a contract,however that's not how it turned out.I love these kind of stories,where the not so famous girl gets the rich and famous guys...keep em coming.

meet Joe Black

September 21, 2014

talk about meeting Joe Black..I was a little confused about this book in the beginning,thought I was in the twilight zone,until I actually understood what was going on.I thought this last book was brilliantly done.Just think what a woman would do to get her soul mate back.I think Beth,did the same thing I would have done to get my true love back...A must read..loved the entire series,from book one to three..wish there was a book four
