Not what I expected

March 14, 2014

I was not impressed. The paper was yellowed and the patterns were overly large. I was surprised there were not very many iron on transfers.

Great little chairs

March 14, 2014

I was sorry to see they are not truly miniature, but they are great little chairs I will find a use for in my miniature gardens. I only wish they had been smaller to true miniature scale. They arrived in great condition, ready to paint any color I wish.

Cutest miniature in my collection

March 14, 2014

I was thrilled with the tiny bunny rowing a leaf boat. It is a wonderful addition to my miniature collection. I found another one at twice the cost, so I was thrilled to get this one at a much more reasonable price. I love that it is ceramic, also.

Fell apart when package opened

March 14, 2014

I was very upset with this product. As soon as I snipped the plastic open and peeled it back, the entire table fell apart. I thought I would just glue it back together and keep it, but the legs did not fit into the holes, nor did it align up to be repaired. I would not recommend this product to anyone. The matching chairs were fine however.

Big dissapointment

March 07, 2014

I purchased this set for my grandson's birthday, as he is into survival tv shows and wants to learn more about survival skills. I was shocked to learn the kit arrived used, dirty and moldy. His mother had to bleach it to make it usable. I would not

recommend purchasing a used kit. I was unaware a used kit would come complete with old moldy food. I am ashamed to have given my grandson such a gift. Even used products should come clean and in reasonably good shape. I do not recommend using this vendor for sources of any products.
