received

January 03, 2014

I just received the package. The contents are in a heavy plastic container. I liked the idea that I could reseal the contents easily. I smelled the contents and they seemed fine. It is the first time I have had the opportunity to smell this brand of chocolate though. I can comment more when I have cooked with the chocolate.

Great book....not to miss

July 29, 2011

I was born and reared in New Orleans and left in 1963. ALWAYS knew the levees were weak and knew it was just a matter of time when they would fail. I enjoyed reading Deadly Indifference because so much I could identify with, corrupt politicians, ignoring reality, never pass up a good meal, not listening, blaming others, talking big. I appreciated Mr Brown's honesty about his own failings. I admire him for not walking away; for his assertiveness; his being a gentleman and so much more. A great read...not to miss.

Grace.

Mouse traps

May 04, 2014

These mouse traps are awesome. I am afraid of the wooden ones. I learned to not put that much peanut butter on the lever. Around a little less than 1/2 teaspoon. Yes, that little. That made it easier to pull the wire down. I set them and within 10 minutes they all had dead mice in them. Bought 6 more to have enough. All traps have mice except 2. I plan to put on some cheap thin plastic gloves, empty the traps and wash them off with the hose outside. Then set them tomorrow morning. When I know I have caught all of them, because I can wash them off. I will save them for next fall. I live near a field and they come in every year. So although they seem expensive, because they can be reused, they are not that expensive.
