Great lamp, use to put together and the seedlings love it

March 09, 2014

This light was reasonably price compared to the other I looked at and it works great. I started my seedlings early and was going on a vacation so I did not want to put the plants in the greenhouse since the weather been cold and the heat would cost to much. I set the light on a Costco purchased plastic table in the dinning room and the plant grow great.

Not that happy with my Kindle "Fire"

December 21, 2011

Items I have tried to purchase on Amazon never download on to my Fire and the pages are hard to turn or several pages turn at once. The Fire is heavier than my orginal Kindle which makes it harder to read in bed and I have not been able to set it up for the internet. I was actually thinking about returning the item until they get the bugs out.

Update: Perhaps it is just my unit. I have had some good responses from other users that may help to solve my problems.
