Great way to compost

April 05, 2014

When I decided to start composting, I needed a way to collect the scraps. On counter would work better for me than under. I loved that they had so many colors to choose from. Then, it has a charcoal filter to keep the smell from taking over. I added the compost bags to keep the inside clean. Now, I can collect all the stuff I used to dump down the garbage disposal and trash. On the deck, I have a 5 gallon bucket to collect the bags as they get full. Next step will be to either bury it in the garden or put it into a compost pile.
