Great stuff!

December 18, 2011

I have been using this product for my 14 yr old Yorkie who gets stomach and bowel upsets frequently.

I just squirt it into the corner of her mouth and within a few hrs, she's eating again..most of the time. She likes the taste of it but if she's really sick, I have to force it down because she doesn't want to eat anything. It coats the lining of their intestines and really settles them down.
