Hard to find item.

August 06, 2014

This is a hard to find item as I think it is a discontinued color. We're adding a screen room over our hot tub & using the stain on the posts & exposed rafters. The floor & ceiling will be clear coated white pine. With the dark posts & rafters, it should be very rustic, just what we're looking for.

My grandson loves it!

January 03, 2014

I bought this as a Christmas gift for my 9-year old grandson. He loved Dr. Who. I hope he uses the journal to write down his hopes & dreams.

works good

October 19, 2013

Just plug it in, and let it run. The battery last long enough to lock a few frames into the memory chip if you loose power, (about 15 seconds) but other than that, good clear picture in the day time... not the best at night . I have two... one pointing out the windshield, and the other pointing out the right side window at the mirror to cover the Blind side. Cheap price to pay for "CYA"

Finally, a good nights sleep!

October 19, 2013

At first I thought "too much money for the product". I've been piling memory foam, pads and extra blankets on a crappy mattress for years trying to find a good night's sleep, and with the fact of a full refund after ninety nights, I thought, why not try it. This is my last new truck before I retire, and I really want to enjoy it... So glad I did! I've been on the road for forty years now, and I've never had a mattress like this. I was so sick of the so-called truck mattresses, (nothing more than a bunch of springs with a thin pad stretched over them). Bottom line... Fantastic mattress! No, you can't have it back!!

Inspirational!

January 03, 2014

I plan to build a fairy garden in an old aquarium with my granddaughter this spring and this is giving me many ideas of what I want to include in it.

Very good product for the money

November 08, 2012

Bought one to use on a automatic gate that we use at work. Can be programmed in seconds. Worked so well, 5 co-workers asked me to get one for them. Works very good and saves a lot of time getting in and out of the semi. A big safety feature for use on during the winter season with snow and ice.
