Reviewed Detox Juicing: 3-Day, 7-Day, and 14-Day Cleanses for Your Health and Well-Being ... by Morena Escardó

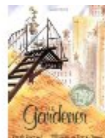

1 of 1 people found this review helpful

A comprehensive book for the beginner juicer

September 11, 2014

I really like the format of this book, is truly a guide into the process of juicing as a way to improve ones health. Before the recipes there is a complete explanation of the benefits of juicing, how to make it work with your lifestyle, what equipment to buy and in general it feel really easy to do after reading the comprehensive first chapters.
The names of the recipes make me smile, and the pictures make want to make and drink the juices.
Most recipes have a little note with tips about how to choose the best ingredients, how to storage the vegetables and fruits at home, variations and health properties of the ingredients.
I haven't try the detox programs, but I really like how they are organize by season with produce available at the time.

Reviewed The Gardener ... by Sarah Stewart

Good for 9 yo.

May 25, 2014

I'm a avid gardener, my daughter is not. When I gave her this book, she just looked at me like really? She came back days after and told me the book is great mom.
Very nice drawings.

Sofia y su familia

February 21, 2013

Este libro ha permanecido entre los favoritos de mis hijas de 3 y 8 años por meses, Sofia y su familia se preparan para la fiesta de 15 de una prima, pero Sofia no cabe en el vestido que desea usar, el libro introduce la idea del ejercicio diario y una alimentación saludable de manera fantástica, sin sentirse forzado.
Mis hijas ahora caminan felices de la escuela a la casa, tal como Sofia.
Excelente para familias bilingues.

Easy to apply and works

September 13, 2012

First, don't get scare when you see how small the tube is, there is plenty for any project.

I did a full 6 lights chandelier, used to be gold and now is looking so much better with the rest of my decor. And I still have more than half of the tube left.

Good product for DIY

Perfect for little gardeners

May 25, 2014

Bought 4 of this for a garden on a daycare. Pre-k and kinder classes use them.

Extremely easy to set up, no tools need it.

The kids ages 4 and 5 yo. can easily reach to the middle to plant, weed and water. Pace of mind no splinters to worry about.

Very nice looking.
