Reviewed Fairy Gardening: Creating Your Own Magical Miniature Garden ...

4 of 5 people found this review helpful

Great Book!

June 11, 2013

A very well written, comprehensive book on how to make fairy gardens. Covers all aspects that I can think of, including possible containers, recommended plant selection, aesthetic composition etc, and has great links towards the back of the book to source fairy garden products. I am referring to it again and again as I plan a fairy garden for our back yard. Very happy with my purchase of this book.
