**A Son Is a Son Till He Gets a Wife**

June 05, 2011

I loved this book, it was well written with love from a Mother who found herself in this situation. It shows the hurt and devastation both parents and the child who MUST turn their backs on their family feel when they find themselves in this situation.

This book should be read by everyone getting married so they do not fall in this trap, and used in premarital counseling.

Most important it can be son-in-laws with the same adgenda.
